

Solid basis for our sweetness.

Indaco SpA, among the finest Companies in Confectionery market, has been started up in 1999 by the family Cola in a plant established in 1979 where the popular Italian candies Charms and Sanagola were produced.

Research: our engine for growth

The Company is characterized by a constant growth since its birth.

The secrets of its success are the extreme professionalism, modern laboratory for R&D, severe quality control systems to guarantee hygiene and highest health standards.

Certified Quality

Indaco SpA has already been certified for the following quality systems:

- HACCP
- ISO 9001:2008
- IFS
- BRC-Global Standard for Food Safety
- ISO 14000:2004
- Dietetic Products Certification also possible production under kosher procedures

Large assortment and extensive distribution network

The Indaco's plant, located in industrial area of Caivano (Naples), covers 15000 mq.

It is made of 7 production lines and 7 packaging lines with 50 employees.

Machineries and technologies allow the manufacture of several different products:

- Chewing-gum dragees
- Hard boiled candies with and without filling
- Gummy and Jelly candies
- Tablets, coated products and pralines.

The products are known as:

- Col-fresh, Zip, Chokos, La Valle, Cafelitos and Nocciolitos
- our own brands;
- Yoga for fruit flavoured
- brand under license.

The extensive distribution network guarantees a wide presence of all products throughout Italy.

The Export department operates in more than 40 countries.

Flexibility to meet any demand

Thanks to technologies, know-how and flexibility, Indaco can be the right partner for Industries and Retailers for private label projects.

We can guarantee full support in terms of marketing suggestions and product customization; everything even for small quantities.
